

Gossops Green Primary School Year 1 Topic 1

Maths

We will be developing our understanding of number and place value. We will be improving our mental calculation skills, using addition and subtraction, and will also be investigating 2D and 3D shapes and measurement.

Art and Design

We will be exploring colour, pattern, texture, line and shape to create space themed drawings, pictures and sculptures.

Computing

We will be controlling Beebots and floor robots and researching, using the internet. We will also be learning how to use technology safely.

R.E

We will be learning about 'belonging' to families, school and community groups.

Geography

We will be learning about aerial views by exploring Google Earth.
We will be learning to identify human and physical features in the environment.

Moon Zoom

5...4...3...2...1...

BLAST OFF!

Design Technology

We will be exploring wheels and axles to make a moon buggy. We will be looking at a range of ingredients to create space food.

Music

We will be making up space songs using percussion instruments. We will also be writing our own verses to our songs.

English

In addition to our usual phonics, grammar and reading, we will be writing simple sentences using capital letters, finger spaces, full stops and our sounds.

PE

We will be learning to develop our balance, agility and co-ordination through a range of activities. We will also practise and improve basic sports skills.

Science

We will be learning about, naming, describing and sorting materials. We will be finding out the solar system and we will be carrying out a rocket investigation.

Outdoor Learning

We will be exploring in the outdoor classroom in all weather, developing our independence and taking a lead in our own holistic learning.

History

We will be learning about the life of Neil Armstrong. We will also be learning about why we celebrate bonfire night.

Ideas for supporting your children in their learning this term.

Listen to your children read on a daily basis and check their understanding by asking relevant questions.

Practise your children's common exception words (high frequency/red words) and maths targets.

Every Wednesday we will bring in and share our texts from home.

Please ensure your child has appropriate clothing for the outdoor area, for example; wellies, water proof coat, water proof trousers.
